

# Drinks

---

## Menu

Everyone needs a break so why not enjoy a refreshing craft beer or glass of wine?

When you're feeling saintly, a little sensitive or simply fancy something different, refresh yourself with our range of premium soft drinks that are full of flavour.

You don't need to place an order for drinks, simply help yourself and we will add this onto your invoice at the end.

## **Teas**

---

Enjoy complimentary tea & coffees that have been sourced locally.

We provide teas from Teapigs as well as Yorkshire tea for those that want a real cup of English breakfast tea!

### **Teapigs**

A selection of peppermint, spiced winter red, apple & cinnamon, lemon & ginger, jasmine pearls, darjeeling earl grey, chamomile, and mao feng green teas

### **Yorkshire Tea**

A traditional English brew!

## **Coffees**

---

All of our Kenyan coffee is **100%** Fair-trade. It is medium bodied, with zingy fruit acidity and light blackcurrant notes. We will be more than happy to keep topping up your jug!

If you would like to have some decaf tea or coffee, please let us know and we will happily make this for you!
